About Us

Lumens FZC is a leading provider of MEP (Mechanical, Electrical, and Plumbing) services in the UAE. With years of industry experience, we deliver top-notch solutions for all building and construction needs.

At Lumens FZC, we are driven by our commitment to quality and customer satisfaction. Our approach combines technical expertise with innovative solutions, ensuring that we meet the highest standards of safety and performance. We take pride in our ability to handle projects of all sizes, delivering results that exceed our clients' expectations.

Our Mission

To provide exceptional MEP services with a commitment to quality, safety, and customer satisfaction. We strive to exceed expectations through innovation and excellence.

Our Vision

To provide exceptional MEP services with a commitment to quality, safety, and customer satisfaction. We strive to exceed expectations through innovation and excellence.

Building Completion & Finishing

- ▶ Interior and exterior plastering
- ▶ Installation of doors, windows, and frames
- ▶ Fitted kitchens, staircases, and shop fittings
- ▶ Interior completion (ceilings, wall coverings, partitions)
- ▶ Tiling and flooring (ceramic, stone, wood)
- ▶ Interior and exterior painting
- ▶ Glass and mirror installation
- ▶ Post-construction cleaning

We offer comprehensive building completion and finishing services, transforming spaces with a focus on quality and detail. Our team ensures every project is completed to the highest standards.

At Lumens FZC, we specialize in comprehensive building completion and finishing services. From precise plastering and flawless paintwork to expert installation of doors, windows, and flooring, we ensure your space is completed to the highest standards. Our team handles all aspects, including interior fit-outs and post-construction cleaning, delivering impeccable results that enhance both the functionality and aesthetic appeal of your property.

Electrical Installation

- ▶ Electrical wiring and fittings
- ▶ Telecommunications and network wiring
- ▶ Satellite dishes and lighting systems
- ▶ Fire and burglar alarm systems
- ▶ Street and runway lighting

Our electrical installation services ensure safe, efficient, and reliable electrical systems for residential and commercial properties. We handle everything from wiring to advanced lighting solutions.

Plumbing Installation

Lumens FZC provides expert plumbing installation services, ensuring reliable and efficient systems for your building. We handle everything from the installation of essential sanitary equipment to complex gas fittings and steam piping. Our skilled technicians use high-quality materials and advanced techniques to deliver plumbing solutions that meet safety standards and perform seamlessly. Whether you need new installations or upgrades, we are committed to delivering exceptional results that ensure long-lasting functionality and comfort.

Sanitary Equipment Installation:

We install essential fixtures like sinks, toilets, and faucets with precision, ensuring durability and optimal performance.

Gas Fittings:

Expert installation of gas lines and appliances, prioritizing safety and compliance with regulations for reliable operation.

Steam Piping:

Efficient installation of steam piping systems for effective heat distribution, tailored to meet specific project needs.

Glass Partition Work

Lumens Groups specializes in providing comprehensive glass partition services for companies and offices. Our expert team ensures high-quality installation, maintenance, and customization of glass partitions, enhancing the aesthetics and functionality of your workspace. We cater to all your glass partition needs with precision and excellence.

Frameless Glass Partitions:

Frameless glass partitions offer a sleek and modern look, providing an unobstructed view and creating an open, airy feel in your office. These partitions are ideal for creating a contemporary and stylish environment while maintaining privacy and sound insulation.

Frosted Glass Partitions:

Frosted glass partitions add a touch of elegance and privacy to your office space. The frosted finish allows light to pass through while obscuring visibility, making them perfect for conference rooms, private offices, and meeting areas.

Sliding Glass Partitions:

Sliding glass partitions provide a flexible and space-saving solution for dividing office spaces.

Acoustic Glass Partitions:

Acoustic glass partitions are designed to reduce noise and enhance sound insulation in busy office settings.

Gypsum Work

Lumens Groups offers expert gypsum work services to enhance the aesthetics and functionality of your office or commercial space. Our skilled professionals provide top-quality gypsum installation, maintenance, and customization, ensuring a seamless and durable finish that meets your design and structural needs.

Gypsum Partition Walls:

Gypsum partition walls are an excellent solution for creating separate spaces within an office or commercial area.

Gypsum Ceiling Design:

Transform your office with our custom gypsum ceiling designs. We offer a variety of styles, including modern, contemporary, and classic, to suit your aesthetic preferences.

Gypsum Bulkheads:

Gypsum bulkheads are perfect for concealing structural elements, such as beams and ductwork, while adding architectural interest to your space.

Gypsum Wall Panels:

Gypsum wall panels provide a versatile and attractive solution for enhancing interior walls.

Heating Systems Installation

Our heating systems installation services offer efficient and reliable solutions for maintaining optimal temperatures in any building. We specialize in various heating systems to meet your specific needs.

Electric, Gas, and Oil Heating Systems:

We install and maintain a variety of heating systems, including electric, gas, and oil-based solutions. Our installations ensure efficient heating and energy savings, tailored to the specific requirements of your property.

Furnaces and Cooling Towers:

Our services include the installation of furnaces and cooling towers, providing reliable climate control for your building. We ensure each system is set up for optimal performance and long-term durability.

Air-Conditioning Installation

We offer expert air-conditioning installation services to ensure a comfortable environment in your building. We handle all aspects of the installation process, from selecting the right units to setting up ventilation systems. Our solutions include:

Ventilation Systems:

We install comprehensive ventilation systems to enhance air quality and circulation, ensuring a fresh and healthy indoor environment.

Air-Conditioning Units and Ducts:

We provide installation of air-conditioning units and ductwork, optimizing cooling performance and energy efficiency to meet your specific requirements.

Interlock Install Work

We specialize in professional interlock work, offering high-quality installation and maintenance services for a variety of outdoor spaces. Our team is committed to delivering durable and aesthetically pleasing interlock solutions that enhance the beauty and functionality of your property.

Interlock Driveways:

Interlock driveways provide a durable and attractive solution for your property's entrance.

Interlock Walkways:

Interlock walkways offer a safe and visually appealing path throughout your property.

Interlock Patios:

Transform your outdoor living space with our custom interlock patios.
